

MEETING OF CAPP THE NETHERLANDS ON 22 NOVEMBER 2016

We cordially invite you to attend the introductory meeting of the Dutch chapter of Centesimus Annus Pro Pontifice (CAPP) on Tuesday **22 November 2016**, as of **18:00** in the city of **Weert** (the Netherlands).

The central theme of the meeting is: '**Catholic Social Doctrine in an Evolving Europe**'. The past year has shown that great(er) differences in income, increasing (economic and spiritual) poverty, and the refugee crisis have continued to request both our attention and effort. What will this bring and demand from us in the longer run? Also, during this event we will discuss the work of CAPP and the Pope Francis Groups active in the Province of Limburg.
