

## INDEPENDENT AUDITOR'S REPORT

### To the Board of Directors of Fondazione Centesimus Annus - Pro Pontifice

#### Opinion

We have audited the financial statements of Fondazione Centesimus Annus - Pro Pontifice ("Foundation"), which comprise the balance sheet as at December 31, 2019, the profit and loss account for the year then ended and the annual report.

In our opinion, the financial statements of Fondazione Centesimus Annus - Pro Pontifice as at December 31, 2019 are prepared, in all material respects, in accordance with the criteria described in the annual report.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical and independence principles of the Code of Ethics for Professional Accountants issued by the International Ethics Standards Board for Accountants and we have fulfilled our responsibilities in accordance with these principles. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Matters

This auditors' report has not been issued for statutory purposes, due to the fact that the audit is not mandatory for the Foundation.

#### Responsibilities of the Secretary General and the Board of Comptrollers for the Financial Statements

The Foundation's Secretary General is responsible for the preparation of these financial statements in accordance with the criteria described in the annual report, and for such internal control as determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, the Foundation's Secretary General is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they have identified the existence of the conditions for the liquidation of the Foundation or the termination of the business or have no realistic alternatives to such choices.

The Board of Comptrollers is responsible for overseeing, within the terms established by law, the Foundation's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing (ISA), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Secretary General.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.

We communicate with those charged with governance, identified at an appropriate level as required by ISA, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
